

The Portion of Labor ~ Mary E. Wilkins Freeman

The Portion of Labor

By Mary E. Wilkins Freeman

This is the story of Ellen Brewster, pretty little daughter of shoe-mill workers in a Northeastern US town of the late 19th century. After the mill shuts down, her family struggles to make ends meet, but as the years pass, Ellen grows up into a prize pupil and pride of the community. The story also covers the birth of the American labor movement and the relationships between rich and poor.
